

UNIVERSITY OF
TORONTO

January 28, 2020

Dear

We are delighted to offer you a place at the University of Toronto. Your record of achievement has distinguished you in a pool of highly accomplished applicants and you have been selected for admission in the 2020-2021 academic year to Studies in Chemical and Physical Sciences at the University of Toronto Mississauga. Congratulations!

At the University of Toronto, we are committed to helping you reach your highest potential. We believe you will be an excellent addition to a community of scholars who share a passion for learning, a deep curiosity about the world and a commitment to making a difference. You'll have a chance to learn from professors who lead in their fields and to benefit from the resources of a major international institution. You'll make friends with others who share your interests and aspirations.

Residence is guaranteed for all new full-time students entering their first year of university in an undergraduate program for the first time, provided that they have completed the First Year StarRez application by March 31, and receive and accept an offer of admission by June 1. Students must respond to all deadlines and meet all deposit requirements in order to maintain their eligibility.

Some important logistics:

- Legally speaking: Please read the Terms & Conditions of this offer outlined in your Join portal.
- Accept your offer via Join. Your response must be received no later than May 01, 2020.
- **You must apply for a study permit as soon as possible, using the letter of acceptance attached on the second page of this admission package.**

Once again, congratulations. We hope that you will take this opportunity to write the next chapter of your life at the University of Toronto and make your distinctive contribution to our proud legacy of excellence.

Sincerely,

Meric S. Gertler
President
